1 Motion for Leave to Exceed Ten Pages

2 Objectors, through Counsel respectfully move this Court pursuant to District Court of  
3 Guam Local Rule 7.1(g), for leave to file a Response to the Governor and Plaintiffs Santos and  
4 Torres' Reply to an Opposition to final approval of a class action settlement

5 This Motion is supported by the following Memorandum of Points and Authority, the  
6 documents and pleadings on file and such other things and information as would please the Court  
7 for submission.

8 Memorandum of Points and Authority

9 Objectors respectfully seek leave of this Court to file a consolidated Response to a Reply  
10 not to exceed 25 pages. The Governor and counsel for Plaintiffs Santos and Torres have  
11 submitted replies to our initial objections which are 41 pages in length. Objector's Response  
12 must address all issues embraced by the Responses, including adequacy of settlement, adequacy  
13 of notice and adequacy of information before the Court. Given the complexity of the case and  
14 the length of the Responses, we ask the Court's permission on this matter.
